

PRODUCT UPDATE FOR ASHTECH OEM CUSTOMERS

Re: Product End of Life / End of Manufacturing announcement for Ashtech HDS800

Date: November 8th, 2016

Trimble® Integrated Technologies announces this product bulletin to inform our customers of planned product migration activities surrounding our Ashtech HDS800 product as follows:

- The HSD800 is now officially in its end of life / end of manufacturing phase.
- Trimble® does not encourage development of any new projects using this OEM product.
- Trimble® suggests ABX-Two for customers looking for a replacement product for HSD800.
- The following part numbers shall be affected:

| Product | Part Number(s) | Description |
|---------------|--|--|
| HDS800 | 802136-2 | GNSS receiver HDS800 |
| | 990661 | GNSS receiver HDS800 WO UHF |
| | 990661-INT | |
| | 990661-10 | HDS800 DUO W 410-430 / 12-25kHz UHF |
| | 990661-10-INT | |
| | 990661-20-INT | HDS800 (L1/L2 GPS + GLONASS configuration) |
| | 990661-50 990661-50-INT | HDS800 DUO W 430-470 / 12-25kHz UHF |

Parts, servicing, and warranty information

The standard Trimble® policy for parts, servicing and warranty applies on existing units.

Availability

The above-mentioned products will only be available in very limited quantities to service any existing and future follow-on orders; on a case-by-case basis, starting immediately.
