## End-of-life notification – AsteRx-U and AsteRx-U Marine

This letter serves as formal notification of our decision to end the life of Septentrio AsteRx-U GNSS receiver.

This decision was made as part of our on-going product lifecycle management process and is triggered by the obsolescence of several components used to build the AsteRx-U and the introduction of the successor product, the AsteRx-U3.

### Affected Products

The following product codes can be ordered until, and not later than July 31, 2023 (last time buy date, subject to availability) and can be delivered up to December 31, 2023 (last time delivery date).

Software maintenance will be ended by December 31, 2024.

Repairs will be offered until December 31, 2025.

## Warranty & Support

Standard warranty & support conditions apply as indicated in the sales contract.

Septentrio keeps the right at its own discretion to decide on the best way to provide customers with a repair solution (considering product and components availability) while still providing the best standard of service and support to its customers.

During the warranty period and if the warranty conditions are met, defective products, when returned to Septentrio with shipping prepaid, will be repaired or replaced at no charge.

Repair or replacement is at Septentrio's sole discretion and shall be the Client's exclusive remedy. Repair shall only be performed according to Septentrio's RMA (Return Material Authorization) procedure.

While Septentrio regrets any inconvenience this announcement may cause, we appreciate our business relationship and are fully committed to supply your current and future product requirements.

For additional information on Septentrio products, please contact your local sales representative ([sales@septentrio.com](mailto:sales@septentrio.com)) or the Customer Support Portal at <https://web.septentrio.com/e/858493/en-support/36sh9c/1280980744?h=1psvpHVQcZp6DgYoggA23pfRxUVpoyOsR3DsVF2PwNs>.
