GNSS Courses for Engineers and Technical Professionals

November 17-20 ,2025 9:00-4:30 EST ◆ Taught Remotely

"The teaching style was excellent! Well presented from an engineering perspective, also high enough level for a non-engineer who is math knowledgeable. Really liked how Chris introduced live scenarios and how theory is applied to actual equipment." — Eric Velez, United States Navy

ATTN: Download and save form BEFORE completing. Email to: tboynton@navtechgps.com; Fax : +1-703-256-8988. Questions: +1-703-256-8900
